

# TIM BRENNAN SCHOLARSHIP FUND

WWW.LEADERSHIPV.ORG

**The Tim Brennan Scholarship** was created to honor Tim's more than 40 year career in public service. The scholarship supports individuals who would not otherwise be able to participate in the Leadership Pioneer Valley's LEAP Program. The fund prioritizes those dedicated to public service.

Tim helped found LPV because PVPC saw a critical need for a regional leadership development program that would connect diverse leaders.. He wanted to build an "army of leaders" who would understand critical issues that impact the region and get involved.

During the program, participants expand their leadership skills while gaining connections, greater commitment to community stewardship, and cultural competency.
